May 2018

DEAR RE/MAX FIELD (FORMER TELUS FIELD) AREA RESIDENTS:

In 2018, parking restrictions during major RE/MAX FIELD events will be in effect during the times indicated on the schedule. During a major event, only vehicles displaying a valid permit may park in the restricted residential parking area. Please refer to the map for the highlighted areas affected by the parking restrictions.

- **Parking in restricted areas is a violation if a valid permit is not displayed on the front windshield of the vehicle. Vehicles in violation may be fined $100.00 and towed from site.**
- **It is an offence under the Traffic, Bylaw 5590, section 74 ($250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.**

To obtain a residential parking permit you **must be a resident** of the restricted area shown on the map, and be able to produce a valid vehicle registration documenting your residency in the restricted area. Single dwelling homes and multi-family buildings (three stories or less) qualify for parking permits. Residents who wish to apply for a permit for guests must apply for a Temporary Parking Permit at least one week prior to an event.

★ Under NO circumstances will a Restricted Residential Parking Permit be issued to an address without a registered vehicle being identified.

★ Parking in restricted areas is a violation for residents if a valid permit is not displayed.

PARKING ON PRIVATE PROPERTY

Property owners selling or providing parking spaces for stadium patrons on privately owned property, like a back yard, front yard, or driveway, is strictly prohibited in residential zones. **A development permit and a business license are required for this type of activity but cannot be obtained in residential areas.** Municipal Enforcement Officers will be in the community during stadium events to specifically deal with illegal parking lots and businesses operating without a business license. The minimum fine for operating without a business license is $400, and for operating without a development permit is $1000. For more information, please contact 311.
