

June 23, 2009

The City of Edmonton has been working for many years to bring additional recreation and wellness opportunities to north central Edmonton.

As you are probably now aware, Commonwealth Stadium & Fitness Centre will close to the public on September 1, 2009 for approximately 18 months, to accommodate the construction of the new North Central Recreation Centre.

All regular Commonwealth gymnasium users are obviously affected by this closure. As when any gymnasium inventory is taken away due to renovations, maintenance work, etc., user groups would now be required to attend allocation meetings to replace their lost gym time in either a City gymnasium or a School Board gymnasium.

If you have completed an application form for gym time for the upcoming season, communication will be sent out shortly as to what the next steps are to obtaining gymnasium time for 2009/2010.

If you have any further questions or concerns, please do not hesitate to contact me.
