34 STREET UPGRADING

34th Street

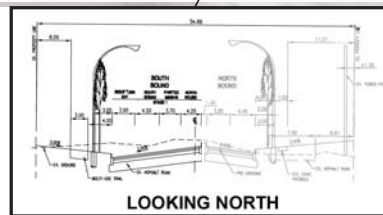

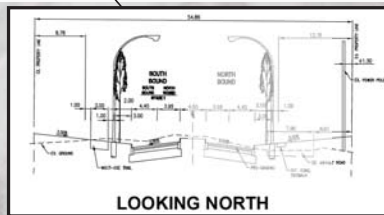

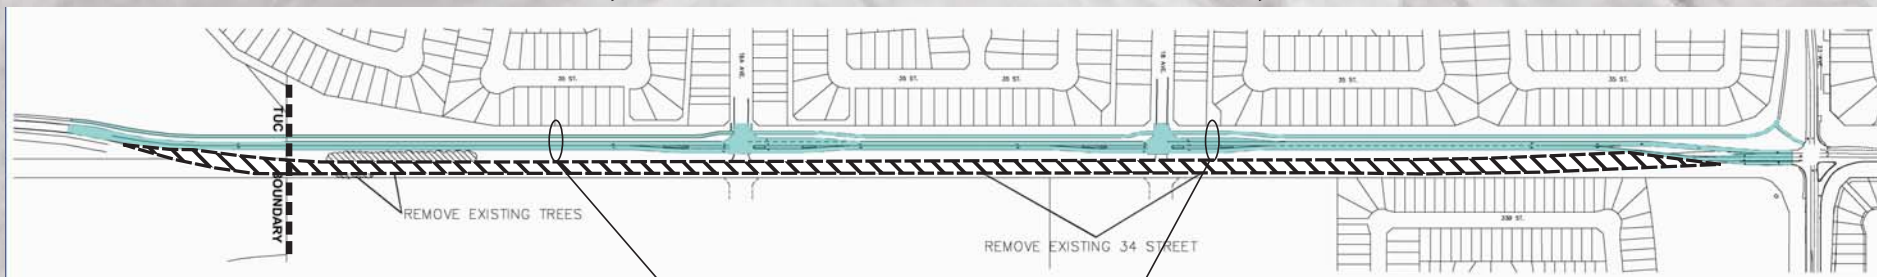

FOCUS
Engineering · Planning · Geomatics

Project Scope

- To reconstruct the first two lanes of 34th Street between 23rd Avenue and the Anthony Henday Drive fly-over to City of Edmonton arterial roadway standards
- To construct a shared use path on the west side of the roadway
- To accommodate traffic growth demands

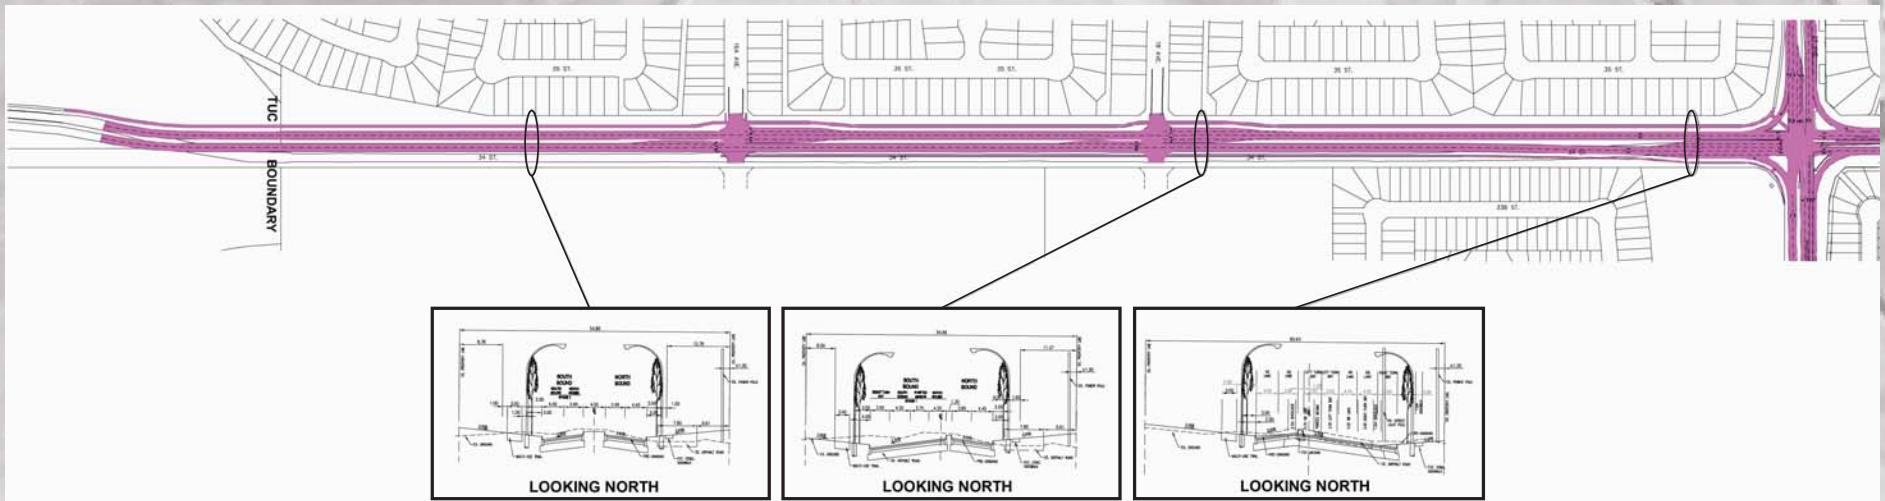

2010 Improvements

- Construction of the west two lanes of the ultimate four lanes and the shared use path
- anticipated construction schedule:
MAY, 2010 TO OCTOBER, 2010

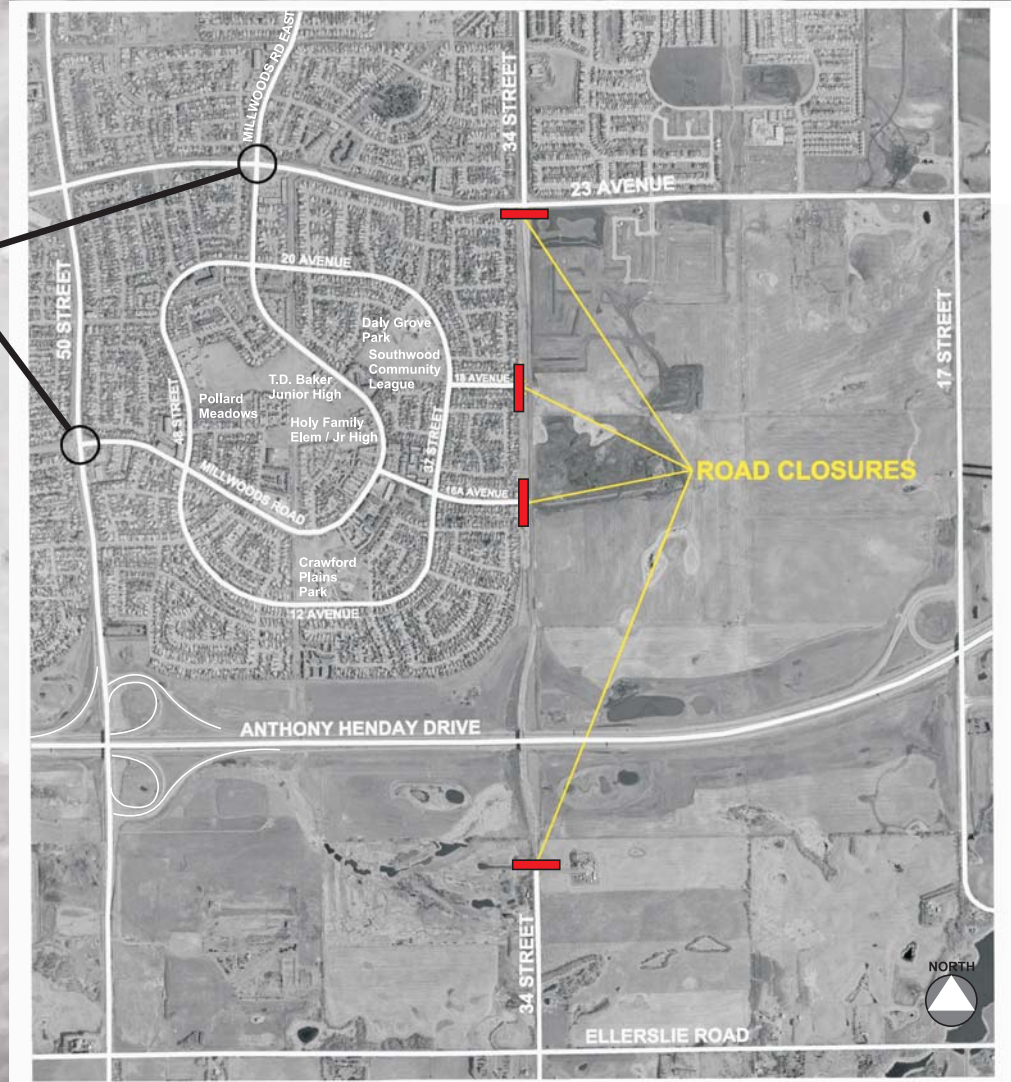

Ultimate Configuration

➤ **34th Street will ultimately be constructed as a four lane divided arterial roadway with a shared use path along the west side of the road**
