

Construction Bulletin

NorthLRT

October 25, 2011

106 St. Service Road/112 Ave. Temporary Total Closure

South portion of 106 Street service road and west portion of 112 Avenue closed between 106 Street service road & 105 Street for 10 months.

Beginning Monday, October 24 the south portion of the 106 Street service road between 112 Avenue & 113 Avenue and the west portion of 112 Avenue between the 106 Street service road & 105 Street will be closed until September 2012 to accommodate construction of the North LRT.

- The 106 Street service road must be relocated from the North LRT right-of-way.
 - City contractors are moving a small portion of the 106 St. service road several metres east to create space for future LRT tracks, which will run between the service road and 106 St.
- Starting Monday, October 24, the south portion of the 106 St. service road between 112 Ave. & 113 Ave. and the west portion of 112 Ave. between the 106 St. service road & 105 St. will be fully closed to all vehicle and pedestrian traffic until September 2012:
 - Access will be maintained to the back alleyway between 105 St. and 106 St.
- Vehicles and pedestrians can detour using 113 Ave. and 105 St.
- See map on reverse of this bulletin.

*The information in this bulletin is current to **September 2012**. All dates approximate and weather dependent. We thank you for your patience during preparations for construction of the North LRT to NAIT.
