

Construction Update

NOVEMBER 2011

Rabbit Hill Road Widening

- Grind and overlay of the existing roadway from Terwillegar Drive to Hodgson Boulevard has been deferred to 2012, along with construction of roadway bus pads and some minor miscellaneous work.
- One lane in each direction is currently open throughout the 2011 project limits. Full lane capacity is expected to be available by November 15, 2011.
- The 2012 scope of work includes the widening of Rabbit Hill Road from Hodgson Boulevard to north of MacTaggart Drive, along with rehabilitation of the existing lanes of Rabbit Hill Road and the 23 Avenue intersection.
