

LET'S KEEP EDMONTON MOVING THIS WINTER

The City of Edmonton is working to keep you moving this winter. Crews and equipment are ready to sand and plow city roads, 24 hours a day, seven days a week. When the snow falls or temperature drops, tow trucks will be stationed at hills and bridges during rush hour to clear away stalled vehicles.

Let's work together to keep Edmonton moving this winter!

- Ensure windows are clear of snow and ice before traveling
- Give yourself more time to get to your destination
- Use caution when approaching or passing snow clearing equipment
