

BULLETIN

May, 2012

DEAR COMMONWEALTH STADIUM & CLARKE PARK AREA RESIDENTS:

In 2012 there will be parking restrictions during major events in certain residential areas. These shaded areas are shown on the map on the reverse side.

When a major event is held, only vehicles displaying a valid permit will be allowed to park. **Vehicles without permits will not be allowed to park for a period beginning one hour prior to the start of the event, and ending one hour prior to the scheduled end of the event.** Vehicles in violation will be tagged for a \$50.00 fine and towed away.

To obtain a permit you **must be a resident** of the area shown on the map, and produce a valid vehicle registration which shows that the vehicle is registered to an address in the area.

Parking in restricted areas is a violation for residents if a valid permit is not displayed upon the front of windshield of the vehicle (\$50.00 fine). It is an offence under Traffic Bylaw #5590, Section #74 (\$250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.

Permits are available to residents within the identified areas (see map on back) up to and including multi-family buildings under 4 stories in height.

Commonwealth Stadium Major Events 2012

Date	Event	Start Time	End Time
Thursday, June 21	ESKS vs BC	7:00 P.M.	10:00 P.M.
Saturday, June 30	ESKS vs Toronto	5:00 P.M.	8:00 P.M.

CRITERIA FOR RESTRICTED RESIDENTIAL PARKING PERMITS

At least one of the following criteria must be met, in addition to the presentation of a valid drivers license to the subject address, before an annual Restricted Residential Parking Permit will be issued.

1. RESIDENT WITHIN RESTRICTED RESIDENTIAL PARKING AREA

a. **Vehicle registered to subject address** and in the name of the resident, or

b. Business vehicle required to be driven by resident. Permit to be issued to a specific vehicle only and not to a business, i.e. no transferable permits.

1) a letter of authorization, on company letterhead, from the business indicating that the business vehicle is required to be used by the applicant for business purposes; and

2) any other verifiable documentation such as a utility bill, lease agreement, etc. for the subject address, in the name of the resident, must be presented, or

c. **Vehicle registered in someone else's name** and registered to a different address,

1) a letter of authorization from the registered owner indicating that the applicant has approval to use the vehicle; and

2) any other verifiable documentation such as a utility bill, lease agreement, etc. for the subject address, in the name of the resident, or

d. **Vehicle registered to an out-of-City or out-of-Province address**

but in the name of the resident. In addition to the registration certificate, any other verifiable document such as a utility bill, lease agreement, etc. for subject address, in the name of the resident, must be presented.

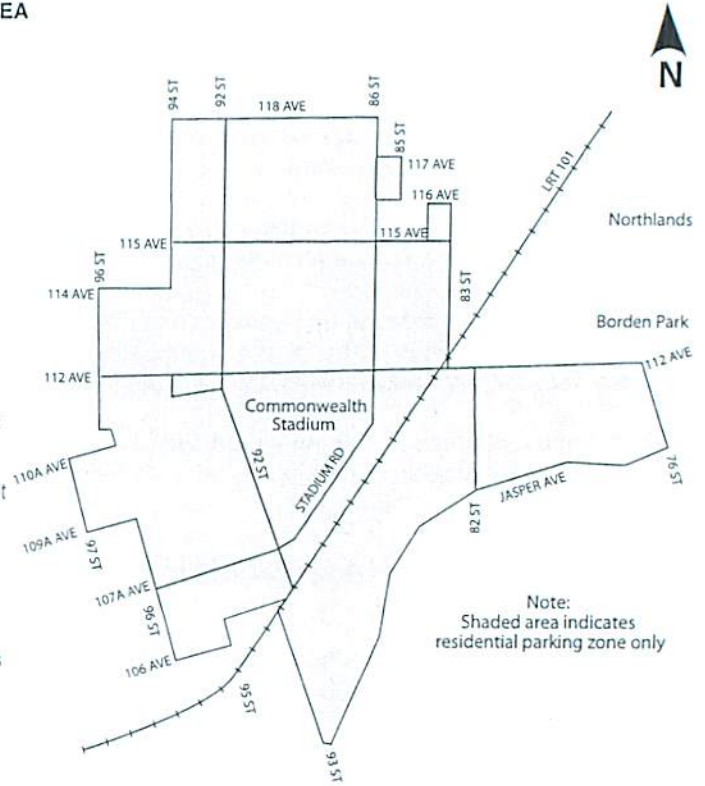

Area business employees will only be issued permits for vehicles registered within the restricted parking area. Employees of businesses within the designated area will NOT be eligible for parking permits for their private vehicles.

Under NO circumstances will a Restricted Residential Parking Permit be issued to an address without a vehicle being identified.

Parking in restricted areas is a violation for residents if a Valid Parking Permit is not attached to the vehicle!

PARKING ON PRIVATE PROPERTY

Property owners selling or providing parking spaces for stadium patrons on privately owned property, like a back yard, front yard, or driveway, is strictly prohibited in residential zones. A development permit and a business license are required for this type of activity, but cannot be obtained in residential areas. Municipal Enforcement Officers will be in the community during stadium events to specifically deal with illegal parking lots and businesses operating without a business license. The initial fines for allowing parking without a development permit is \$210 and \$400 for operating a business without a valid license. For more information please contact the Planning and Development Department at 780-496-3100.

The City of Edmonton Traffic Bylaw #5590, Section 37, regarding Permit Required states:

A vehicle shall not be parked on a highway in any location where a permit to park is required unless a valid and subsisting permit is clearly displayed on the vehicle.
