

ETS in the Community

ETS is proud to support local community events throughout Edmonton. Not only do we participate in events but our Community Support Program gives local organizations an opportunity to receive support from ETS in a number of ways. Visit our website for more information www.takeETS.com (support guidelines and application form are under "ETS in the Community").

ETS Events

ETS Annual Community Conference

Since 1999, ETS has hosted an annual community conference to share information about its services with the public, and give the public an opportunity to provide ETS with feedback.

ETS Pride on Parade

Look for volunteer-stuffed ETS vehicles, vintage or state of the art, in parades for Capital Ex, or the Silly Summer parade on Canada Day.

Stuff-a-Bus

In support of the Food Bank, ETS staff volunteer to collect food donations for one week in late November or early December at each Save-on-Food store location throughout the city.

Christmas Lights Tours

ETS staff volunteer their time to drive or host bus tours of the Christmas lights around the city. Tour participants are requested to make a donation for this service so that a cash donation can be made to local charities such as the Christmas Bureau, the Children's School Lunch program and Donate-a-Ride.

ETS Supports Disease Research

Volunteer ETS operators provide a free shuttle service for participants in the Super Cities Walk for Multiple Sclerosis and the Run for the Cure for Breast Cancer.

Hop on the bus for free on New Year's Eve, compliments of ETS, St. Albert and Strathcona County transit systems. Free service is available from 6 p.m. December 31 until 3:30 a.m. January 1.

Donate-a-Ride

The only City of Edmonton, City Council initiated charity, Donate-a-Ride is a unique partnership of private businesses, municipal government and charitable organizations.

Donations can be made through envelopes on all ETS buses, by mail or phone to the United Way or the Citizen Action Centre in City Hall, or at the Donate-a-Ride kiosk on the platform of Churchill LRT Station.
