RE: Tentative plan of subdivision to create thirteen (13) multi-unit housing lots (MHL), one (1) commercial lot, one (1) Non-credit Municipal Reserve lot and one (1) Public Utility lot from Lot 3, Plan 962 4107 and Lot 1, Plan 962 4107 located south of 51 Avenue NW and east of 122 Street NW; **MALMO PLAINS**

I **The Subdivision by Plan is APPROVED on October 27, 2022, subject to the following conditions:**

1. that the owner dedicate Municipal Reserve (MR) as a 0.65 ha lot pursuant to Section 666 of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
2. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
3. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., EPCOR Water Services Inc., and EPCOR Drainage Services, as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
4. that the owner be permitted to register this plan of subdivision in phases in sequential order, as shown on the "Conditions of Approval" map, Enclosure I;
5. that the owner register easements for cross lot access as shown on the "Conditions of Approval" map, Enclosure I. The City shall be a party to the easement;
6. that the owner register an easement for temporary emergency access as shown on the "Conditions of Approval" map, Enclosure I. The City shall be a party to the easement;
7. that the owner dedicate additional road rights of way, for the proposed walkways, to the satisfaction of Subdivision and Development Coordination, should it be deemed necessary through the review of engineering drawings, as shown on the "Conditions of Approval" map, Enclosure I;
8. that the owner dedicate additional road right-of-way for the local and collector roadways within the subdivision boundary to accommodate the complete streets design and cross sections to the satisfaction of Subdivision and Development Coordination, should it be deemed necessary through the review of engineering drawings;

9. that the owner register a freeboard restrictive covenant in favour of EPCOR Drainage Services, against the lots backing onto and flanking the Storm Water Management Facility (SWMF) as shown on the "Conditions of Approval" map, Enclosure I; and
10. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

II The Servicing Agreement required in Clause I (2) shall contain, among other things, the following conditions:

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
5. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
6. that the owner construct off-site modifications to 51 Avenue NW to improve the safety and function of the existing accesses to the parcel legally described as Plan 042 5055 (12111 51 Avenue NW; Californian Lansdowne condominium) on the south side of 51 Avenue NW, that may include extending the existing centre median, east of 122 Street NW, to limit the existing west access to right-in / right-out movements only and construction of a westbound centre median with approximately a 20 m left turn bay and a 45 m taper to accommodate the existing east all directional access, with Phase 3, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. Details relative to this requirement will be reviewed and finalized through the engineering drawing review and approval process;
7. that the owner remove the existing access to the parcel legally described as Lot 3 Plan 9624107 (11731 51 Avenue NW) and remediate the access closure area with Phase 3, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I All costs associated with removal of the access, including the removal of the road structure, re-grading of the land, landscaping and any utility relocation/modification deemed necessary as a result of the removal, will be the responsibility of the owner;
8. that the owner remove the existing private road and access to 48 Avenue NW, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I; This may include construction of a second private access roadway with sidewalk between the collector roadway and Lot 2 Plan 962 4107;
9. That the owner reconstruct the existing median on 51 Avenue NW, east of the proposed collector roadway, to include a westbound left turn bay with standard taper and bay for the

collector on the south side of 51 Avenue NW, including paint line marking modifications and landscaping with Phase 3, to the satisfaction of Subdivision and Development Coordination. Details relative to this requirement will be reviewed and finalized through the engineering drawing review and approval process;

10. that the owner construct a commercial access on the north side of 48 Avenue NW to align with the opposing local road intersections approach to the south, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
11. that the owner construct a temporary 4 m gravel surface emergency access with T-bollards, to the satisfaction of Subdivision and Development Coordination as shown on the "Conditions of Approval" map, Enclosure I. This roadway will be required prior to Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination);
12. that the owner construct a temporary 12 m radius gravel surface turnaround with bollards or mini-barriers to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. This turnaround will be required prior to Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination);
13. that the owner construct 48 Avenue NW to include a westbound shared thru/left turn lane and a dedicated right lane, as per the revised TIA lanes reconfiguration at 122 Street NW. This may include intersection improvements to ensure the new construction on 48 Avenue aligns with the opposing road approach;
14. that the owner construct 120 Street NW, including the roundabout, to an approved Complete Streets cross-section, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. Details will be reviewed and finalized through the engineering drawing review and approval process;
15. that the owner construct a 3 m hard surface shared use path, within the road rights of way, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
16. that the owner construct a 3 m hard surface shared use path with bollards and lighting, within the walkways and MR lot, with connections to the adjacent shared use paths, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. Details relative to this requirement should consider the intent of the Michener Park Redevelopment Master Plan and will be reviewed and finalized through the engineering drawing review and approval process;
17. that the owner construct a 2.5 m concrete sidewalk within 48 Avenue NW, with connections to the existing bus stop pad on 122 Street NW, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
18. that the owner construct a 1.5 m concrete sidewalk with lighting and bollards within 51 Avenue NW, with connections to the existing sidewalk and bus stop, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;

19. that the owner provide a zebra marked crosswalk with curb ramps and pedestrian signage to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
20. that the owner pay for the conversion/upgrade of the existing traffic signals, at the intersection of 48 Avenue NW and 122 Street NW in Phase 1, as shown on the "Conditions of Approval" map, Enclosure I. The City of Edmonton shall complete the signal design, and the City's Electrical Services Contractor must install the signals as per the agreement between the City of Edmonton and the Electrical Services Contractor. The timing of the traffic signals installation will be at the direction of Transportation Operations. If traffic signals are not deemed warranted by Transportation Operations within 5 years of signing the Servicing Agreement, the owner will be required to provide payment to the City of Edmonton for the installation of traffic signals at that time to fulfill this obligation;
21. that the owner pay for the installation of traffic signals, at the intersection of 51 Avenue NW and 120 Street NW, with Phase 3, as shown on the "Conditions of Approval" map, Enclosure I. The City of Edmonton shall complete the signal design, and the City's Electrical Services Contractor must install the signals as per the agreement between the City of Edmonton and the Electrical Services Contractor. The timing of the traffic signals installation will be at the direction of Transportation Operations. If traffic signals are not deemed warranted by Transportation Operations within 5 years of signing the Servicing Agreement, the owner will be required to provide payment to the City of Edmonton for the installation of traffic signals at that time to fulfill this obligation;
22. that the owner pay for the installation of "no parking" signage on the collector and local roadways along the entry and exit curve radii adjacent to the roundabout to the satisfaction of Subdivision and Development Coordination and Fire Rescue Services, as shown on the "Conditions of Approval" map, Enclosure I;
23. that the owner design and constructs the ultimate Storm Water Management Facility (SWMF), including all inlets and outlets, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
24. that the owner construct all fences wholly on privately-owned land, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
25. that the owner retain the existing fence on the MR lot, or provide a similar barrier in accordance with an approved park Concept Plan, to the satisfaction of Subdivision and Development Coordination; and
26. that the owner is responsible for the landscape design and construction within the Public Utility lot, the MR lot, road rights of way and walkways, to the satisfaction of City Departments and affected utility agencies.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

Non-credit MR for Lot 1, Plan 962 4107 in the amount of 0.65 ha is being provided by dedication with this subdivision.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

CRESTWOOD

The Subdivision by Plan is APPROVED on October 27, 2022, subject to the following conditions:

1. that the owner apply for a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services. Apply online at www.edmonton.ca/permits; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

The Subdivision Authority received comments from adjacent landowners and community members. The application complies with the regulations set out in the Edmonton Zoning Bylaw, the land is serviceable, and the proposal advances a more compact urban form. The Subdivision Authority is of the opinion, after considering factors set out in Section 7 of the Subdivision and Development Regulation and the comments from adjacent landowners, that the land is suitable for the purpose for which the subdivision is intended.

Enclosure(s)

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$700.00 - 2022 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on 141 Street NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's website (search "Trees and Construction").
- Any and all costs associated with tree work requests (removal, pruning or other) and/or remediation from damages are borne on to the proponent as per the Corporate Tree Management Policy (C456C). All work is to be carried out by Urban Forestry who can be contacted at citytrees@edmonton.ca. Removal of City of Edmonton trees must follow the Live Tree Removal Guidelines which include community notice and value compensation.
- Access for future development must be to the adjacent alley in conformance with Mature Neighbourhood Overlay Section 814.3(17) of the Zoning Bylaw #12800.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and the Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

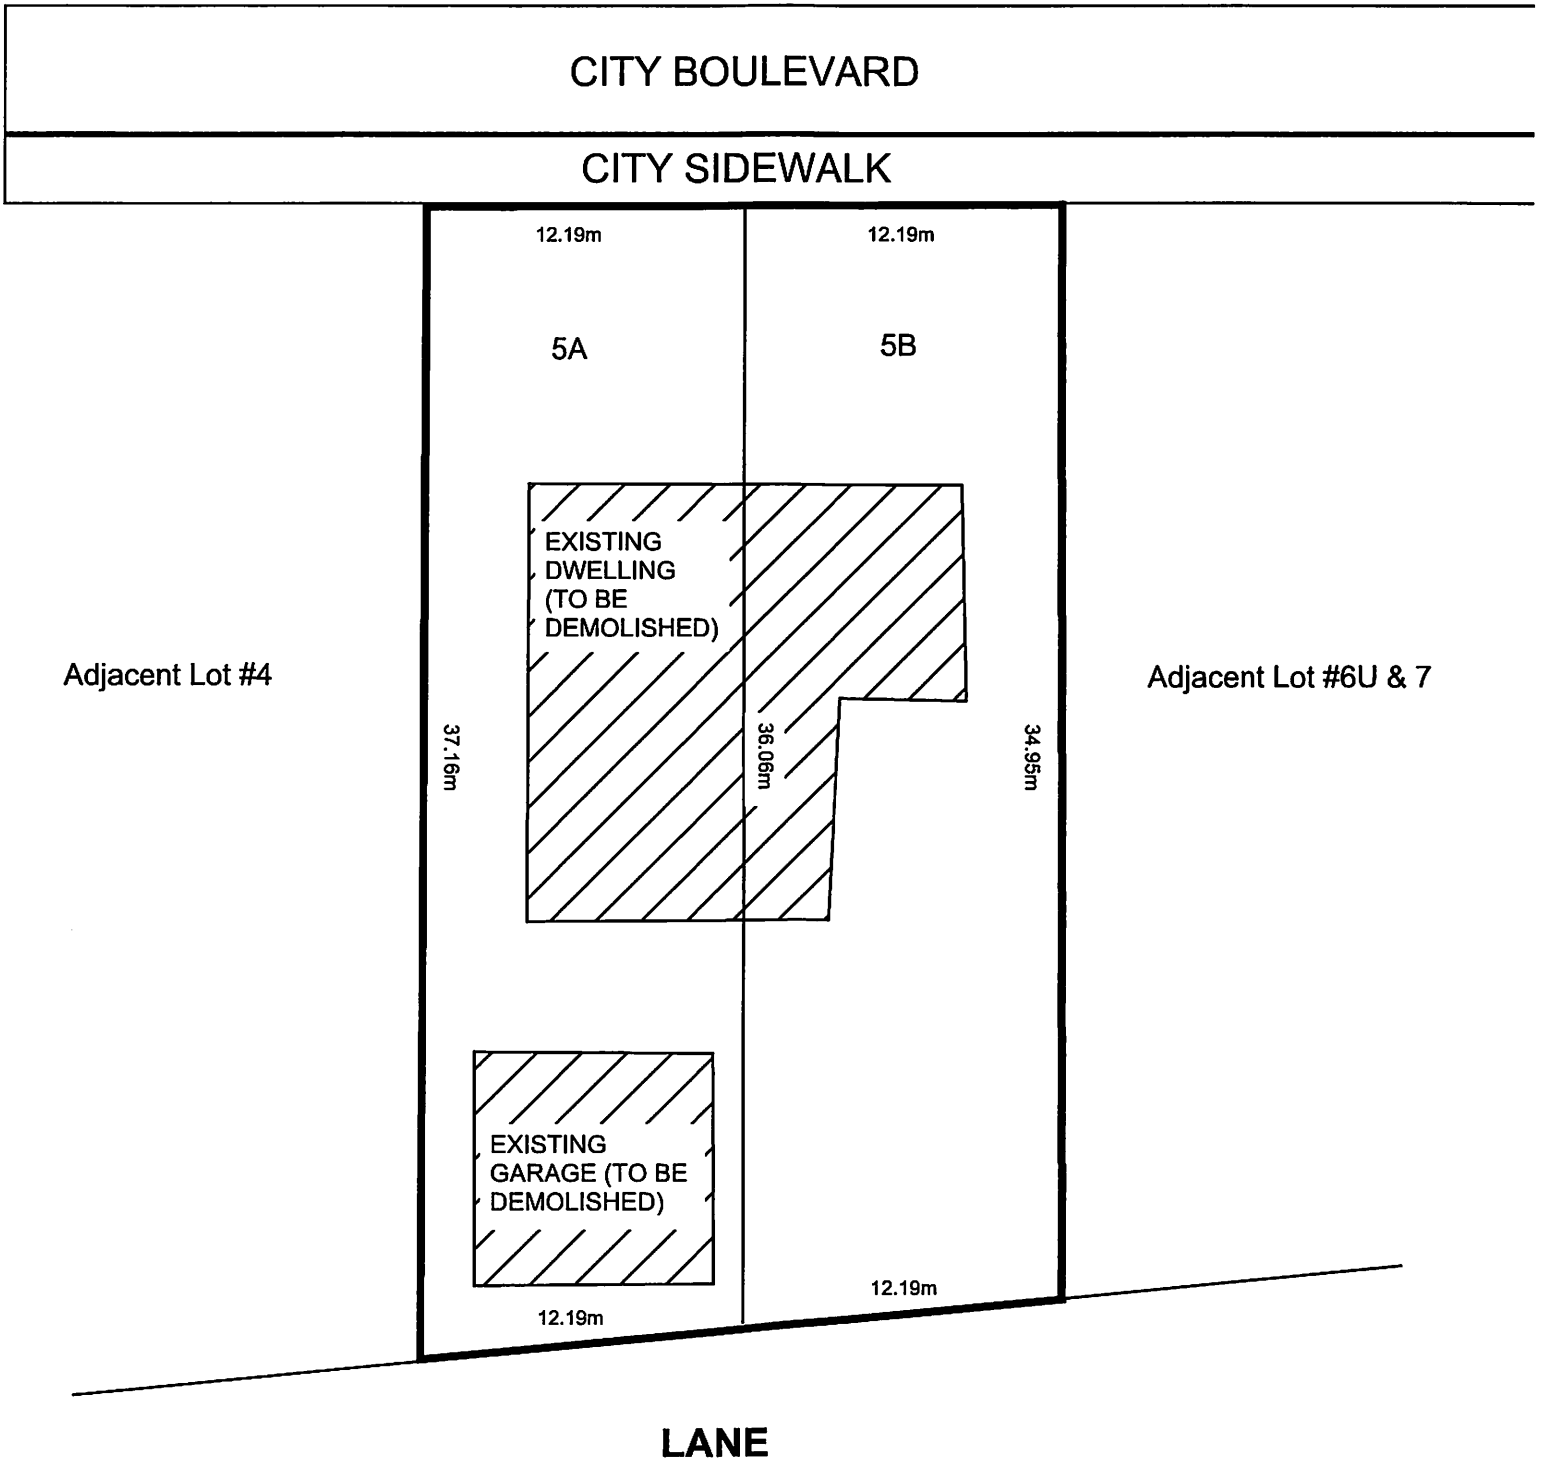

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222), and EPCOR Drainage Services (Water and Sewer Servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 5.5 m north of the south property line of existing Lot 5 off of the lane. The existing storm service enters the proposed subdivision approximately 12.6 m south of the north property line of existing Lot 5 off 141 Street NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

1. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

The Subdivision Authority did not receive comments from adjacent landowners. The application complies with the regulations set out in the Edmonton Zoning Bylaw, the land is serviceable, and the proposal advances a more compact urban form. The Subdivision Authority is of the opinion, after considering factors set out in Section 7 of the Subdivision and Development Regulation, that the land is suitable for the purpose for which the subdivision is intended.

If you have further questions, please contact subdivisions@edmonton.ca.

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$700.00 - 2022 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on 63 Avenue NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's website (search "Trees and Construction").
- Any and all costs associated with tree work requests (removal, pruning or other) and/or remediation from damages are borne on to the proponent as per the Corporate Tree Management Policy (C456C). All work is to be carried out by Urban Forestry who can be contacted at citytrees@edmonton.ca. Removal of City of Edmonton trees must follow the Live Tree Removal Guidelines which include community notice and value compensation.
- Access for future development must be to the adjacent alley in conformance with Mature Neighbourhood Overlay Section 814.3(17) of the Zoning Bylaw #12800.
- The Allendale Neighbourhood is on the Neighbourhood Alley Renewal Program. This specific site is scheduled for renewal sometime between 2023 and 2025. Alley Renewal involves reconstruction and repaving, fixing surface drainage where possible, and upgrading of existing alley lighting to LED fixtures. Utility assessments and repairs, along with removals and pruning of trees and shrubs, are also completed. Subdivision Planning recommends that the owner/applicant email BuildingGreatNeighbourhoods@edmonton.ca to coordinate any work on road right-of-way.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and the Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner has made arrangements for new water and sewer services to the proposed lots. For further information on other services please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222), and EPCOR Drainage Services (Water and Sewer Servicing 780-496-5444).
- There is an existing power pole and guy wire that will interfere with access to the proposed Lot 25C. It is our understanding that the applicant has contacted EPCOR to arrange for the relocation of the power pole and guy wire. All costs associated with relocations and/or removals are at the expense of the applicant.
- There are existing power poles in the alley. Site access must maintain a minimum clearance of 1 m from the closest edge of the power poles(s) to the closest edge of the proposed driveway.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lots 19-20, Block 14, Plan 5515AE, located south of 104 Avenue NW and west of 77 Street NW;
FOREST HEIGHTS

The Subdivision by Plan is APPROVED on October 27, 2022, subject to the following conditions:

1. that the owner make satisfactory arrangements with EPCOR Water Services Inc. and EPCOR Drainage Services for the provision of separate services (water and sewer) to the proposed southern lot; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision.
