

Active Transportation Network Expansion

# 111 Avenue from 106 Street to 121 Street

- Local street bikeway (new)
- On-street protected two-way bike lane (new)
- Shared pathway (existing)
- Shared pathway (new)
- Vehicle traffic flow – one-way (new)
- Parking removal (approximate)

*This map shows the active transportation route, not the precise location it is being built.  
 New infrastructure will be built on the road right-of-way and will not impact private properties.*
