

## **ALLIN PARK**

June 2025

Playgrounds are a crucial part of Edmonton's neighbourhoods. Playgrounds foster play and encourage social interaction, exploration and imagination for residents of all ages. The City of Edmonton is renewing the playground in Allin Park to ensure it is accessible for all.

### **Project overview**

As part of the renewal, the City will replace the existing play equipment. A rendering of the preferred equipment is available on the project web page. New landscaping will include sod and shrubs, a new picnic table, benches and garbage can.

### **Construction impacts**

Construction is expected to start in July and be complete in the fall of 2025. The area around the playground will be closed during construction, but the rest of Allin Park will be open for all to enjoy. *(Please see map on second page.)*

No tree removals are planned as part of this project.

Residents in the neighbourhood may experience increased noise levels and traffic around the area. All construction will take place during the hours of 7 a.m. to 9 p.m. Monday to Saturday, according to the Community Standards Bylaw. Construction equipment and materials will be stored near the work area.
