18 survey participants

What we heard

Common themes among the feedback collected include:

- + Residents are concerned about drainage and water pooling
- + Rutting and potholes in the existing pavement are problematic
- + Trees are overgrown and impacting the alleys

“Uneven pavement, low spots, poor drainage.”

“Deterioration leading to low spots, water pooling with poor drainage. Trees overgrown into alley at both ends.”

How we communicated

- + Letters sent to residents and property owners whose properties access alleys in Beverly Heights
