LRT Expansion & Renewal

Edmonton

Construction Notice – Capital Line South LRT – Early Works

Beginning on or around **May 7, 2024** Capital Line Design-Build Ltd. will begin early works geotechnical drilling, hydrovac investigation and tree protection/removal at the site for the Future Llew Lawrence Operation and Maintenance Facility.

What to Expect:

Drivers

- No impacts to traffic are planned.

Pedestrians & Transit:

- No impacts to Heritage Valley Park & Ride are planned.
 - Full access will be maintained to Heritage Valley Park & Ride at all times.

Other Impacts:

- Trees near the perimeter of the work zone will be protected using protection fence.
 - Work will be done in accordance with the City of Edmonton's Corporate Tree Management Policy.
- Tree removal will occur within the project site and will take place during daytime hours.
- Every effort will be made to reduce the impact to the public including noise and dust impacts.

This work will be performed during daytime hours following the City of Edmonton's Community Standards Bylaw (7a.m. – 7p.m. Monday – Saturday) and is expected to last one month.
