KA HORTAGGA DANBIYADA iyadoo loo marayo qaab Deegan

Hagid deg deg ah oo wax ku ool ah kuna aadan tallaabooyinka ay qaadi karaan reer
Edmonton si ay hantidooda uga dhigaan mid ammaan ah.

KA HORTAGGA DENBIGA IYADOO LOO MARAAYO QAAB DEEGAAN

Danbiyada hantida sida **xadidda baabuurta ama in wax laga xado agagaarka guryaha la daganyahay** ayaa inta badan ah danbiyo fursadeed.

CPTED waa hab la hubiyey si loo yareeyo dembiyada dhabta ah iyo cabsida dembiga iyadoo la bedelayo deegaanka. Iyadoo si horseednimo ah loo dabaqayo mabaadi'da CPTED waxa aan kordhin karnaa badbaadinta hantideenna iyo middeenna bulsho.

Qaabaynta iyo maaraynta goob bannaan waxay saamaysaa hab-dhaqanka aadanaha. Marka goobta bannaan si fican loo qaabeeyo waxay ka tartaa yaraynta dambiyada sidoo kalena kordhisaa aragtida laga qabo ammaanka. Si kastaba ha ahaatee, marka meel bannaan si liidata loo qaabeeyo waxay ubadantahay in dambiyi iyo dhaqanka bulshada lidka ku ah ay ka dhacaan. Tani kaliya ma saamayso badbaadadeenna iyo rabitaankeenna in aan ku dhexjirno ama qayb ka ahaanno bulshadeenna, balse waxay kaloo saamaynaysaa fayo-qabkeenna guud.

Mulkiiliayaasha guriyuuhu waxay qaadi karaan tallaabooyin firfircooni si ay u ilaashadaan hantidooda iyagoo fulinaya Xeeladaha xoojinta bartilmameedka. Istaraatijiyyadahani waxay raacaan mabaadi'da CPTED (Ka hortaga denbiga iyadoo loo maraayo Qaab deegaan) lana raadiyo in loo qaabeeyo deegaanka qaab ka caawinaya ka hortagga dembiyada. Qaabka wanaagsani waxuu kordhiyaa fursadaha lagu qabankaro danbiilaha, wuxuuna yareeyaa faa'iidooyinka dembiga. Waxay kaloo inaga dhigta inaan dareeno ammaan badan iyo nafis.

Istaraatijiyyadaha CPTED ayaa si wacan oo wadajir u wada shaqeeyaa, sidaa darteed iyadoo la fulinaayo tiro tabo ah oo ku dhigan dhukumeentigan hantiiliyaashu waxay kordhin karaan badbaadada hantidooda.
