

## DEAR COMMONWEALTH STADIUM AREA RESIDENTS:

In 2023, parking restrictions during major COMMONWEALTH STADIUM events will be in effect during the times indicated on the schedule. During a major event, only vehicles displaying a valid permit may park in the restricted residential parking area. Please refer to the map for the highlighted areas affected by the parking restrictions.

- **Parking in restricted areas is a violation if a valid permit is not displayed on the front windshield of the vehicle.**
- **Vehicles in violation may be fined \$100.00 and towed from site.**
- **It is an offence under the Traffic Bylaw, Bylaw 5590, section 74 (\$250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.**

To obtain a residential parking permit you must be a resident of the restricted area shown on the map, and be able to produce a valid vehicle registration documenting your residency in the restricted area. Single-dwelling homes and multi-family buildings (three stories or less) qualify for parking permits. Residents can apply for a Temporary Parking Permit for guests at least one week prior to an event (temporary permits are [only](#) available online).
