## CONNAUGHT ARMOURY

Built in 1911, it is one of the oldest remaining armouries in Alberta and is one of Edmonton's notable [historic buildings](#). The Connaught Armoury is a legally-protected Municipal and Provincial Historic Resource site. The existing zoning allows an appropriate mix of residential, community oriented, institutional, and commercial uses and includes regulations that ensure any use in the building and future renovations are both sensitive to the adjacent residential development and sympathetic to the original historic characteristics of the building as specified under its designation as a [Municipal and Provincial Historic Resource](#). Designated Municipal Resources have access to the City Heritage Program's Maintenance Grant, covering 1/3 of eligible maintenance costs up to a maximum matching grant of \$100,000, on a 5-year repeating cycle. Designated Provincial Historic Resources can also access [historic resource conservation grants](#) from Alberta Arts, Culture and Status of Women. The vacant lot may also be eligible for the infill redevelopment grant programs.
