

# Vision and Guiding Principles

Hillview Neighbourhood and Alley Renewal

## Project Vision

Hillview is a welcoming community with excellent outdoor spaces including public parks, pathways and greenery. Public spaces, amenities and local businesses are easy to get to in many different ways: by walking, rolling, biking or driving. Hillview is a friendly and peaceful neighbourhood where people feel a sense of safety, belonging and community.

## Hillview Guiding Principles

Create great outdoor spaces, including public parks, pathways and greenery where residents want to gather and recreate

Build a network of safe and accessible roads, sidewalks, pathways and crossings to support getting around the neighbourhood year-round

Improve connections to different places close to the neighbourhood, such as access to transit, trail networks, amenities and services

Provide more ways for residents to enjoy Hillview's outdoor spaces year-round

Design Hillview's neighbourhood roads to encourage slower traffic
