Cyndi Le
Supervisor - Community Initiatives
The Family Centre

Cyndi began her journey with The Family Centre in 2009. For 9 years as a frontline worker, she walked alongside vulnerable families and youth in their journey to establish healthy connection to community and culture by building on their resiliency. Cyndi's passion for youth creating and maintaining lifelong connections led her to pursue a leadership role in 2018. After establishing effective partnerships with Children's Services and community stakeholders for 12 years, Cyndi sought after a new challenge by joining the NET team in March 2022. She is passionate about creating better outcomes for youth, for youth to feel empowered, amplifying youth's voices, and for youth to feel that they belong. Cyndi is leaning into her values of inclusivity, diversity, and accountability to guide her NET journey. She is motivated to work towards NET's vision of a safe and inclusive Edmonton. Cyndi feels grateful and excited to be part of such a unique and dynamic partnership.
