Consent to Disclose Identity Information

The following 5 slides contain topics about sensitive information (identity and experiences of concerning behaviours and discrimination).

Respondents were given the opportunity to opt out of these voluntary questions if they **did not** consent to the City of Edmonton and Glint processing their responses.

146 (94%) of the 155 Office of the City Manager (excluding Fire Rescue Services) employees who participated in the survey consented to collection of this sensitive data.

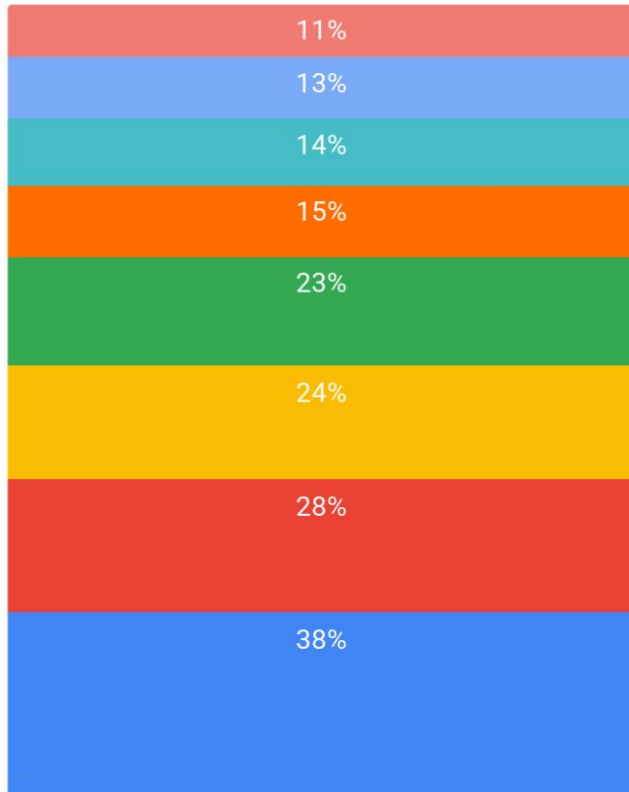

The following 5 slides are a summary of what we heard from respondents who consented to disclose this information.
