

OUTCOMES

The following 12 outcomes are accompanied by principles that will guide the planning and design of great new neighbourhoods. Refer to the full Document, **Guidelines for Edmonton's Future Residential Communities**, for more information.

Outcome 1

Neighbourhoods are connected.

Outcome 2

Neighbourhoods are unique and inviting.

Outcome 3

Neighbourhoods are inclusive.

Outcome 4

Neighbourhoods provide residents with convenient access to a full range of transportation options.

Outcome 5

Neighbourhoods support viable uses, services and facilities.

Outcome 6

Neighbourhoods are cost effective.

Outcome 7

Neighbourhoods conserve and enhance ecosystems and biodiversity.

Outcome 8

Neighbourhood amenities and facilities support the social and recreational needs of residents.

Outcome 9

Neighbourhoods embrace all seasons.

Outcome 10

Neighbourhoods are safe and secure.

Outcome 11

Neighbourhoods are flexible and adaptable.

Outcome 12

Resources are used efficiently and responsibly in neighbourhoods.
