

# North Glenora Alley Renewal

Webinar Presentation - March 25, 2021

Edmonton

# | Alley Renewal Funding

- Funded through an increase to the Neighbourhood Renewal Program tax levy
- Portion of property taxes is used to fund the Alley Renewal Program
- No additional cost to property owners

# Selection Process

1. Neighbourhood-wide approach
2. Average condition of the alleys in a neighbourhood
3. Utility coordination

# Alley Comparison: Homesteader

**Before**

**After**

# Alley Lighting Scenarios

If your alley currently **has lighting:**

- Bulbs will be upgraded to LED

If your alley currently **has poles but no lighting:**

- Residents can add lights to poles through the Local Improvement Program

If your alley currently **has no poles or lighting:**

- Residents can add lights to poles through the Local Improvement Program
- If power is not close by, a meter box will need to be added and the cost will be shared by all alley residents
