Pleasantview Neighbourhood Renewal
January 2021

REFINE

Community Feedback on Draft Design

Live online event

- + Residents were invited to participate in a live online event to explore the draft design for Pleasantview's renewal. The Project Team presented an overview of the draft design and answered questions submitted by participants.

52 participants

Draft design feedback survey

- + A survey was available, both online and in paper copy for the public to submit feedback on the draft design. The paper surveys were available at the two neighbourhood dropboxes in the neighbourhood.

89 surveys completed

All input received will be used as part of refining the design for Pleasantview's Neighbourhood Renewal. We will be back this spring to present a final design for feedback. Watch for more details.
