

EDMONTON

ADMINISTRATIVE DIRECTIVE

TITLE

PROJECT MANAGEMENT FOR CONSTRUCTION PROJECTS

NUMBER

A1406A

DELEGATED AUTHORITY

BYLAW 12005 THE CITY ADMINISTRATION BYLAW 10(D)

DEPARTMENT

INTEGRATED INFRASTRUCTURE SERVICES

STATEMENT

The City of Edmonton is committed to follow established project management best practice on all construction projects in order to deliver Business Value in accordance with corporate goals and priorities; meet client and stakeholder needs; and demonstrate accountability for management of public assets.

PURPOSE

The purpose of this Directive is to ensure all City of Edmonton Construction Projects follow established project management best practice consistently and performance standards for project management are established, monitored and controlled for all Construction Projects.

APPLICATION

This directive applies to all City departments reporting to the City Manager and involved in Construction Projects, and all City employees including full-time, part-time and temporary employees, and all contract staff working on City Construction Projects.
