## **GENERAL INFORMATION FOR EXTENDED LOBBY LICENCES**

- **A.** Upon receipt of this application form and payment of the application fee, the Transportation Department will:
  - 1. review the general area and determine adjacent land uses.
  - 2. determine availability of area.
  - 3. define the required setbacks.
  - 4. review existing and/or potential safety problems with existing and proposed roadway facilities.
  - 5. circulate the proposal to any affected civic and/or utility Department and/or agency for their review.
  - 6. present the proposal to the adjacent landowners *if a potential conflict is perceived*. This may require correspondence with the local community league and/or business association.
- **B.** Should the proposal meet with the approval of the affected civic and/or utility Department and/or agencies:
  - 1. the Transportation Department will prepare four copies of the Extended Lobby Licence and forward the documents to the address indicated by the applicant.
  - 2. the Transportation Department will have the documents executed when the documents and insurance forms are returned and meet all the requirements. One copy of the executed Licence will be returned to the applicant.
  - 3. the Licence fee will be invoiced if it has not been paid by the time the documents are executed. The application fee will be credited towards the Licence fee.
- **C.** If the application is refused, the road right-of-way cannot be used and the application fee will not be refunded. Use of the City road right-of-way (sidewalk and/or boulevard) without authorization will result in enforcement action being initiated by the City of Edmonton.
