

May 2025

18 Street over Horsehills Creek Bridge Replacement

The 18 Street Bridge over Horsehills Creek is being replaced. The 64-year-old bridge will be removed and replicated with a new, wider bridge to meet current City standards and ensure a safe and reliable crossing. The bridge replacement will ensure continued access for Northeast Park users and Edmonton-Strathcona Bridge users for years to come. **Construction is anticipated to begin at the end of May and be completed by the end of fall 2025.**

Construction details

- Demolition and replacement of the existing bridge
- Landscaping

Access

To allow for the demolition and construction of the new bridge, 18 Street from 195 Avenue/Horsehills Road to the Horsehills Creek bridge will be temporarily closed to traffic, pedestrians and cyclists. The following detours will be available:

- Manning Drive NW to Meridian Street NW and 227 Avenue to access 18 Street.
- Valour Avenue then 34 Street NW and 227 Avenue to access 18 Street.
