## SUBDIVISION AUTHORITY MINUTES MEETING NO. 36

**PRESENT** April Gallays, Acting Chief Subdivision Officer

**1. ADOPTION OF AGENDA**

MOVED April Gallays  
That the Subdivision Authority Agenda for the September 8, 2016 meeting be adopted.

FOR THE MOTION April Gallays **CARRIED**

**2. ADOPTION OF MINUTES**

MOVED April Gallays  
That the Subdivision Authority Minutes for the September 1, 2016 meeting be adopted.

FOR THE MOTION April Gallays **CARRIED**

**3. OLD BUSINESS**

**4. NEW BUSINESS**

1. LDA15-0362  
176996663-001 Tentative plan of subdivision to create 244 single detached residential lots and 58 semi-detached residential lots, two (2) Municipal Reserve lots, one (1) Public Utility lot, and one (1) future Municipal Reserve lot from SW and SE 10-54-24-W4M, located south of Anthony Henday Drive and west of 66 Street NW; **CRYSTALLINA NERA EAST & CRYSTALLINA NERA WEST**

MOVED April Gallays  
That the application for subdivision be Approved as Amended.

FOR THE MOTION April Gallays **CARRIED**

2. LDA15-0640  
184798724-001 Tentative plan of subdivision to create one (1) multiple family lot, two (2) commercial lots, and one (1) public utility lot from the NE 15-51-24-W4M and NW 15-51-24-W4M, located west of 66 Street SW and south of 25 Avenue SW; **THE ORCHARDS AT ELLERSLIE**

MOVED		April Gallays That the application for subdivision be Approved.
FOR THE MOTION		April Gallays <b>CARRIED</b>
3.	LDA16-0083 187362881-001	Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 30, Block 1, Plan 3907 HW, located north of 93 Avenue NW and east of 87 Street NW; <b>STRATHEARN</b>
MOVED		April Gallays That the application for subdivision be Approved as Amended.
FOR THE MOTION		April Gallays <b>CARRIED</b>
4.	LDA16-0254 222833005-001	Tentative plan of subdivision to create one (1) multiple family unit and one (1) remnant unit from Lot 193, Block 1, Plan 122 4860, located north of 8 Avenue SW and east of Wright Drive SW; <b>WINDERMERE</b>
MOVED		April Gallays That the application for subdivision be Approved.
FOR THE MOTION		April Gallays <b>CARRIED</b>
5.	LDA16-0287 224751901-001	Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 7, Block 13, Plan 4629 KS, located north of 88 Avenue NW and west 140 Street NW; <b>PARKVIEW</b>
MOVED		April Gallays That the application for subdivision be Approved as Amended.
FOR THE MOTION		April Gallays <b>CARRIED</b>
6.	LDA16-0297 225063559-001	Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 4, Block 30, Plan RN 64, located north of 122 Avenue NW and west of 126 Street NW; <b>PRINCE CHARLES</b>
MOVED		April Gallays That the application for subdivision be Approved as Amended.
FOR THE MOTION		April Gallays <b>CARRIED</b>
7.	LDA16-0302 225486498-001	Tentative plan of subdivision to create one (1) additional residential lot from Lot 16, Block 52, Plan 2136 KS, located north of 107B Avenue NW and west of 69 Street NW; <b>CAPILANO</b>
MOVED		April Gallays That the application for subdivision be Tabled.
FOR THE MOTION		April Gallays <b>CARRIED</b>

8.	LDA16-0313 225229540-001	Tentative plan of subdivision to create separate titles for Lots 11 and 12, Plan RN 60, located south of 111 Avenue NW and east of 130 Street NW; <b>WESTMOUNT</b>	
MOVED		April Gallays  That the application for subdivision be Approved as Amended.	
FOR THE MOTION		April Gallays	<b>CARRIED</b>
9.	LDA16-0314 226023700-001	Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 55, Block 15, Plan 6490 KS, located north of 134 Avenue NW and east of 103 Street NW; <b>ROSSLYN</b>	
MOVED		April Gallays  That the application for subdivision be Approved as Amended.	
FOR THE MOTION		April Gallays	<b>CARRIED</b>
5.	<b>ADJOURNMENT</b>  The meeting adjourned at 10:00 a.m.

ATTENTION: Brenda Peters

Dear Ms. Peters:

RE: Tentative plan of subdivision to create 244 single detached residential lots and 58 semi-detached residential lots, two (2) Municipal Reserve lots, one (1) Public Utility lot, and one (1) future Municipal Reserve lot from SW 10-54-24-W4M and SE 10-54-24-W4M, located south of Anthony Henday Drive and west of 66 Street NW; **CRYSTALLINA NERA EAST & CRYSTALLINA NERA WEST**

---

**I The Subdivision by Plan is APPROVED on September 8, 2016, subject to the following conditions:**

1. that the owner dedicate Municipal Reserve (MR) as a 3.291 ha parcel and a 0.12 ha parcel pursuant to Section 666 of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
2. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
3. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., and EPCOR Water Services Inc., as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
4. that the owner register easements for the collector roadway, 450 mm and 250 mm offsite water main extensions, and the 6 m temporary roadway connection, as shown on the "Conditions of Approval" map, Enclosures I & II;
5. that the owner be permitted to register this plan of subdivision in stages, at the discretion of the Chief Subdivision Officer, having regard to the provision of roadways, Municipal Reserve (MR), and the logical extension of services, as shown on the "Conditions of Approval" map, Enclosure I;
6. that the owner register a freeboard restrictive covenant in favour of the City of Edmonton against the lots backing onto the Storm Water Management Facility (SWMF) as shown on the "Conditions of Approval" map, Enclosure I;

7. that the owner register a noise attenuation berm restrictive covenant in favour of the City of Edmonton against the lots backing onto Anthony Henday Drive, to protect the integrity of the berm, as shown on the "Conditions of Approval" map, Enclosure I; and
8. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**II That the Servicing Agreement required in Clause I (2) contain, among other things, the following:**

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the engineering drawings include the construction of a 2.5m hard surface shared use path, with Stage 1 of the plan of subdivision, to the satisfaction of Transportation Planning and Engineering, as shown on the "Conditions of Approval" map, Enclosure II;
8. that the engineering drawings include a 450 mm and 250 mm offsite water main extensions, with Stage 2 of the plan of subdivision, to the satisfaction of EPCOR Water Services Inc., as shown on the "Conditions of Approval" map, Enclosure II;
9. that the engineering drawings include the construction of a collector roadway to an urban collector standard, and turn bays, with Stage 1 of the plan of subdivision, to the satisfaction of Transportation Planning and Engineering, as shown on the "Conditions of Approval" map, Enclosure II;
10. that the engineering drawings include full site servicing for the 3.291 MR lot and future MR lot including, but not limited to, 3-phase power, storm, sanitary, water and gas services, to the satisfaction of all affected Departments and agencies;
11. that the engineering drawings include a temporary 6 m gravel surface roadway connection with Stage 1 of the plan of subdivision, to the satisfaction of Transportation Planning and Engineering, as shown on the "Conditions of Approval" map, Enclosure I. This roadway will be required prior to CCC for roads (or when required by Transportation Planning and Engineering);
12. that the owner design and construct the ultimate Storm Water Management Facility (SWMF), including the outlet control structure and pipe required to service the proposed

development area, to the satisfaction of Drainage Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;

13. that the owner construct a 3 m hard surface shared use path with lighting, and bollards, within the Municipal Reserve (MR) lot, future Municipal Reserve lot, walkway, PUL lot, and Storm Water Management Facility (SWMF), as per City of Edmonton Design and Construction Standards, to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
14. that the owner construct a 2 m mono-walk with straight faced curb and gutter to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
15. that the owner construct a 1.5 m concrete sidewalk with lighting, and bollards, within the walkway, to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
16. that the owner construct a 3 m concrete emergency access with lighting, and t-bollards to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
17. that the owner pay for the installation of traffic signals, as shown on the “Conditions of Approval” map, Enclosure II. The City of Edmonton shall complete the signal design, and the City’s Electrical Services Contractor must install the signals as per the agreement between the City of Edmonton and the Electrical Services Contractor. The timing of the traffic signals installation will be at the direction of Transportation Operations. If traffic signals are not deemed warranted by Transportation Operations within 5 years of signing the Servicing Agreement, the owner will be required to provide payment to the City of Edmonton for the installation of traffic signals at that time to fulfill this obligation;
18. that the owner is responsible for the disposal of any sewage generated from the proposed development, at their own cost, until such time that the offsite sanitary trunk sewer is completed and operational to the satisfaction of Drainage Planning and Engineering;
19. that a Noise Study be provided to confirm the noise attenuation required adjacent to the Transportation Utility Corridor (TUC), in accordance with the City of Edmonton’s Urban Traffic Noise Policy C506A and to the satisfaction of Transportation Planning and Engineering. At a minimum, the owner must construct a 1 m berm and 1.8 m noise attenuation fence as per the City of Edmonton’s Roadway Design and Construction Standards Drawing No. 5205, within residential property lines for all lots backing onto the TUC to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
20. that the owner construct all fences wholly on privately-owned lands and Municipal Reserve lots, to the satisfaction of Transportation Planning and Engineering and Parks and Biodiversity, as shown on the “Conditions of Approval” map, Enclosure I; and
21. that the owner is responsible for the landscape design and construction within the Public Utility lot, road islands, boulevards, medians, walkways, Municipal Reserve lots, future Municipal Reserve lot, and the SWMF, to the satisfaction of City Departments and affected utility agencies.

Enclosure I and II are maps of the subdivision identifying major conditions of this approval.

Municipal Reserve (MR) for SE 10-54-24-W4M and SW 10-54-24-W4M in the amount of 3.291 ha and 0.12 ha is being provided by a Deferred Reserve Caveat with this subdivision. The remaining 0.329 ha parcel will be purchased by the City of Edmonton and dedicated as Municipal Reserve in the future.

Ministerial Consent is required for the portion of the berm located within the Transportation Utility Corridor and the application for Ministerial Consent is made by the owner.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Stephanie Mah at 780-442-5387 or [stephanie.mah@edmonton.ca](mailto:stephanie.mah@edmonton.ca).

Yours truly,

ATTENTION: Nick Dyjach

Dear Mr. Dyjach:

RE: Tentative plan of subdivision to create one (1) multiple family lot, two (2) commercial lots, and one (1) public utility lot from the NE 15-51-24-W4M and NW 15-51-24-W4M, located west of 66 Street SW and south of 25 Avenue SW; **THE ORCHARDS AT ELLERSLIE**

---

**I The Subdivision by Plan is APPROVED on September 8, 2016, subject to the following conditions:**

1. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
2. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., and EPCOR Water Services Inc., as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
3. that the owner dedicate road right-of-way for a right turn bay as shown on the “Conditions of Approval” map, Enclosure I;
4. that the owner register an easement for mutual access as shown on the “Conditions of Approval” map, Enclosure I. The City shall be a party to the easement;
5. that the owner register an easement for public access as shown on the “Conditions of Approval” map, Enclosure I;
6. that the subdivision boundary be amended to include the dedication of 66 Street SW to conform to an updated or approved Concept Plan or to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure II;
7. that subject to Condition I (6) above, the owner clear and level 66 Street as required for road right of way dedication;
8. that the owner be permitted to register this plan of subdivision in stages, at the discretion of the Chief Subdivision Officer, having regard to the provision of roadways, Municipal Reserve (MR), and the logical extension of services, as shown on the “Conditions of Approval” map, Enclosure I; and

9. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**II That the Servicing Agreement required in Clause I (1) contain, among other things, the following:**

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the engineering drawings include the first two (2) lanes of 66 Street to an arterial roadway standard including 3 m shared use path, 1.5 m concrete sidewalk, lighting and any transitional improvements, intersection improvements and turn bays, with Stage 2 to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
8. that the engineering drawings include the construction of the commercial site access to 66 Street SW, with Stage 2 to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;
9. that the engineering drawings include a 300mm offsite water main extension with Stage 2 to the satisfaction of EPCOR Water Services Inc., as shown on the “Conditions of Approval” map, Enclosure I;
10. that the engineering drawings include the complete design and construction of the interim Storm Water Management Facility (SWMF) including inlet, and grading for the future 3 m shared use path, with Stage 1 to the satisfaction of Drainage Planning and Engineering and Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure II;
11. that the engineering drawings include the complete design and construction of the required storm and sanitary main extensions with Stage 1 to the satisfaction of Drainage Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure II;
12. that the owner construct a 3 m hard surface shared use path with “Shared Use” signage, lighting, bollards and landscaping with Stage 2 to the satisfaction of Transportation Planning and Engineering, as shown on the “Conditions of Approval” map, Enclosure I;

13. that the owner pay for installation of traffic signals, as shown on the “Conditions of Approval” map, Enclosure I. The City of Edmonton shall complete the signal design, and the City’s Electrical Services Contractor must install the signal as per the agreement between the City of Edmonton and the Electrical Services Contractor. The timing of the traffic signal installation will be at the discretion and direction of Transportation Planning and Engineering. If traffic signals are not deemed warranted by Transportation Operations within 5 years of signing the Servicing Agreement, the owner will be required to provide payment to the City of Edmonton for the installation of traffic signals at that time to fulfil this obligation;
14. that the owner is responsible for the landscape design and construction within the road rights of way, walkways, SWMF, and the PUL to the satisfaction of City Departments and affected utility agencies.

Enclosure I and II are maps of the subdivision identifying major conditions of this approval.

Municipal Reserves for the east half of NE/NW-15-51-24-W4M were addressed through LDA07-0201 with a DRC in the amount of 4.208 (instrument No. 102295727) registered on title. This DRC was subsequently used to in its entirety to assemble a portion of the proposed School/Park site with LDA14-0525.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

ATTENTION: Roy Maxwell

Dear Mr. Maxwell:

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 30, Block 1, Plan 3907 HW, located north of 93 Avenue NW and east of 87 Street NW;  
**STRATHEARN**

---

**The Subdivision by Plan is APPROVED on September 8, 2016, subject to the following conditions:**

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**Please be advised of the following:**

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 3.4 m north of the south property line to service Lot 36 (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta*

5. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

SUBDIVISION: Strathearn

OUR FILE NO.: 51-014-011-009

PREPARED BY: Nina Lumabi  
Water and Sewer Servicing Section  
Drainage Services

---

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

### Water and Sewer Service Information

Plan 3907HW, Block 1, Lot 30 (9335-87 Street)

#### Proposed Lot 36, Blk 1

- 1-20mm water service and 1-150mm sanitary service exists off the Lane East of 87 Street at 3.4m North of the South Property Line of Lot 30.

#### Proposed Lot 37, Blk 1

- Our records indicate that no water and/or sewer services exist directly off city mains.

### Water and Sewer Servicing Conditions

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each** separately titled parcel **must** be independently serviced with water and sewer services directly off public mains. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water and sewer services will be required for proposed Lot 37, Blk 1 directly off city mains prior to subdivision approval.**
4. **The owner/developer will be responsible for relocating any water and sewer lines on private property which cross from one separately titled lot to another, and revise any lot grading, so that cross lot overland drainage will not occur. Prior to subdivision, all water, sanitary, and storm lines which cross from one new separately titled lot to another must be identified and relocated at the owners expense. Each new separately titled lot is required to be individually serviced with water and sewer services directly off city mains and must drain entirely to its own private drainage system. (Any cross lot servicing must be dealt with.)**
5. Construction charges will apply for any new water, sanitary and/or storm services required which will be constructed by the City from the main to the Property Line.

### General

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.

ATTENTION: David McArthur

Dear Mr. McArthur:

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 7, Block 13, Plan 4629 KS, located north of 88 Avenue NW and west of 140 Street NW; **PARKVIEW**

---

**The Subdivision by Plan is APPROVED on September 8, 2016, subject to the following conditions:**

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**Please be advised of the following:**

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 3.1 m south of the north property line off of the lane to service lot 7B (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);

4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta Building Code*. Permits may be required for such changes. Please contact 311 for more information;
5. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Stuart Carlyle at 780-496-6068 or [stuart.carlyle@edmonton.ca](mailto:stuart.carlyle@edmonton.ca).

**SUBDIVISION:** Parkview

**OUR FILE NO.:** 51-014-011-009

**PREPARED BY:** Greg Derkach  
Water and Sewer Servicing Section  
Drainage Services

---

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

### **Water and Sewer Service Information**

Plan 4629KS, Blk 13, Lot 7 / 8812 – 140 Street

Proposed Lot 7B, Blk 13

- 1-20mm water service and 1-150mm sanitary service exist off the Lane West of 140 Street at 3.1m South of the North Property Line of Lot 7.
- 1-100mm storm service exists off 140 Street at 10.3m North of the South Property Line of Lot 7.

Proposed Lot 7A, Blk 13

- Our records indicate that no water and/or sewer services exist directly off city mains.

### **Water and Sewer Servicing Conditions**

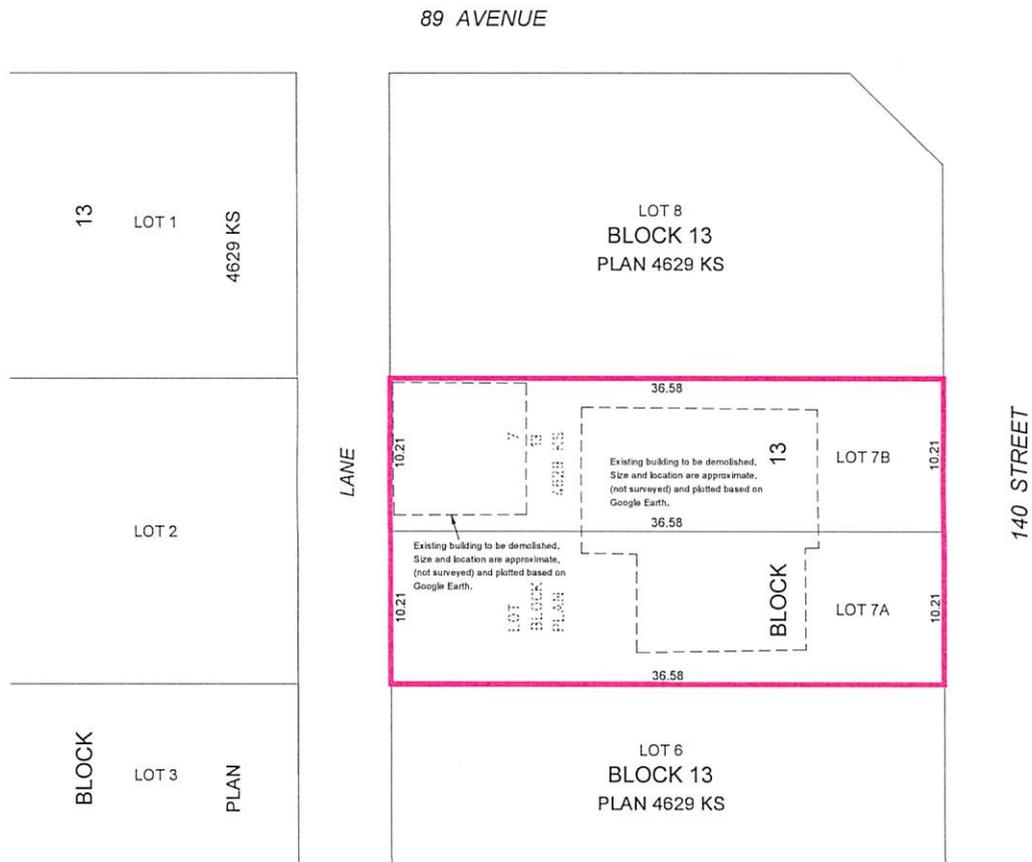

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each separately titled parcel must be independently serviced with water and sewer services directly off public mains**. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water, sanitary and storm services will be required for proposed Lot 7A directly off city mains prior to subdivision approval.**
4. Construction charges will apply for any new water, sanitary and/or storm services required which will be constructed by the City from the main to the Property Line.

### **General**

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.

Water and Sewer Servicing Section  
Drainage Services

---

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

### **Water and Sewer Service Information**

Plan RN64, Block 30, Lot 4 (12216-126 Street)

#### Proposed Lot 8, Blk 30

- 1-20mm water service exists off the Lane West of 126 Street at 8.7m South of the North Property Line of Lot 4.
- 1-150mm sanitary service exists off the Lane West of 126 Street at 64.9m North of Manhole #275320. The location at the main is assumed straight out.

#### Proposed Lot 7, Blk 30

- Our records indicate that no water and/or sewer services exist directly off city mains.

### **Water and Sewer Servicing Conditions**

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each separately titled parcel must be independently serviced with water and sewer services directly off public mains.** A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Water and Sewer Servicing Section  
Drainage Services

---

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

### **Water and Sewer Service Information**

Plan 6490KS, Blk 15, Lot 55 / 13419 – 103 Street

#### Proposed Lot 55A, Blk 15

- 1-20mm water service and 1-100mm storm service exist off 103 Street at 14.3m North of the South Property Line of Lot 15.
- 1-150mm sanitary service exists off the Lane East of 103 Street at 4.7m South of the North Property Line of Lot 15.

#### Proposed Lot 55B, Blk 15

- Our records indicate that no water and/or sewer services exist directly off city mains.

### **Water and Sewer Servicing Conditions**

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each separately titled parcel must be independently serviced with water and sewer services directly off public mains**. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water, sanitary and storm services will be required for proposed Lot 55B directly off city mains prior to subdivision approval.**
4. Construction charges will apply for any new water, sanitary and/or storm services required which will be constructed by the City from the main to the Property Line.

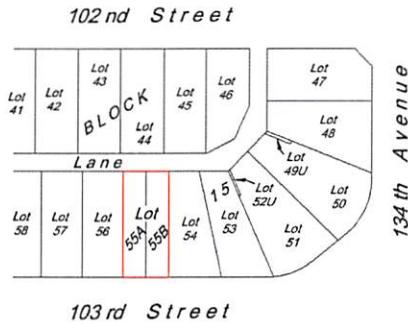

### **General**

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.
