RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 1, Block 10, Plan 4830 Q, located north of north of 128 Avenue NW and east of 88 Street NW;
KILLARNEY

The Subdivision by Plan is REFUSED on February 22, 2018 for the following reason:

1. The proposed subdivision does not comply with the minimum Development Regulations identified in Section 150.4(2) of the City of Edmonton Zoning Bylaw. The minimum site depth identified in the (RF4) Semi-detached Residential Zone for permitted and discretionary uses is 30.0 metres. The site depth of proposed Lot A is 22.86 metres and is therefore deficient by 7.14 metres or 23.8%. The site depth of proposed Lot B is 15.25 metres and is therefore deficient by 14.75 metres or 49.2%. This proposal will result in site depths, and ultimately lot sizes, that are uncharacteristically small when compared to properties on the adjacent block faces.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision.
