TO WHOM IT MAY CONCERN.

This is to certify that H. J. Christie was engaged in the Engineering Department of the City of Edmonton for a period of six years, during which time he had charge of important structural work, such as bridges &c. He now leaves the City's service to enlist for active service, and I have pleasure in certifying as to his ability in this particular branch of work.

A handwritten signature in cursive script, likely of the Mayor.
