

# Meyonohk Neighbourhood and Alley Renewal

## Community Feedback on Final Design Summary

April 2026

INFORM

The Meyonohk Neighbourhood and Alley Renewal Project Team provided opportunities for the public to learn about the **final design** for enhancing streets, sidewalks and open spaces in the community. In this stage, we invited community members to **INFORM** themselves about the final design and ask questions of the Project Team. The resources shared demonstrate how City policy, technical requirements and community input have shaped the final plan for Meyonohk.

### Conversations

- + From March 10 to March 24, 2026, 28 community members submitted questions to the Project Team via the project web page and email

28 conversations

### Project web page

- + We asked community members to visit the project web page to review the final design and ask questions, learn more about Neighbourhood Renewal and sign up for project updates
