

Organizations Accepting Reusable Bags and Reusable Foodware

These organizations accept donations of **clean, good quality** reusable bags and other reusable foodware items to support their community members and clientele. Reusable bags will be used for food hampers and alleviate the cost of purchasing new bags for low income community members.

Please only donate items you would reuse. Bags must be: • Empty • Clean • Dry • Intact and free of holes (including handles and seams)
Please do not donate: • Single-use plastic or paper bags • Backpacks, crossbody/sling bags, purses, briefcases • Bags with wheels
Please contact the organization directly BEFORE dropping off the items to ensure they are still accepting the items.

Note: If you want your organization to be added to the list please email singleuse@edmonton.ca.
